MESSAGE OF CONDOLENCE ON THE UNTIMELY DEMISE OF BOB COLLYMORE, THE CHIEF EXECUTIVE OFFICER SAFARICOM PLC.

I am deeply saddened by the untimely death of Safaricom CEO, Robert ‘Bob’ Collymore.

Bob was an inspiring hands on leader whose contribution towards the Devolution Story will forever remain engraved in our hearts. During his time, the support for Devolution Conference and County Connectivity grew in manifolds. It is also during his time that Safaricom grew its partnership with County Governments offering different solutions boosting the Public Private Partnerships that have revolutionized how County Governments work.

On behalf of the Council of Governors and the County Governments, I convey my heartfelt condolences to his Wife, Children and the larger Safaricom PLC Family.

As we honor his legacy we pray that God comforts you during this trying time.
